

# ADR LUNCHTIME SERIES

## Learning from Our Practice: Connecting Curiosity with Evaluation Tools to Learn from and Assess ADR Programs and Practices

What is the relationship between evaluation and practice in our field? What are best, and worst, practices in evaluating and learning from the conflict resolution work we do? Through case studies, exercises, and open discussion, participants will explore opportunities and techniques for better embedding evaluation and research in their practice.

John Windmueller, Ph.D. – Assistant Professor and Acting Director, Negotiations & Conflict Management Program, University of Baltimore
